

Eco-Award 17th April 2008

This is our third Eco-Award that we have given.

It was awarded for:

- recycling plastic bags, paper, metal tins, glass bottles and jars
- composting garden waste, kitchen waste and cardboard
- growing her own vegetables and fruit – peas, beans, carrots, broccoli, onions and strawberries
- reducing energy by switching off everything electrical when not in use
- walking to school

Recommended by her dad and agreed by Mrs. Paternoster and Mr. Middleditch.
